Dear Network Users,

Considering the provisions of art. 26-30 of the *Commission Regulation (EU) 2017/459 of 16 March 2017 establishing a network code on capacity allocation mechanisms in gas transmission system and repealing Regulation (EU) 984/2013*, **SNTGN Transgaz SA launches**, as of 04.07.2023, **a non-binding market demand assessment process for incremental capacity**, beginning with the gas year 2023-2024.

Not later than 8 weeks after the completion of the annual auction for annual firm capacity products but no later than **28 August 2023**, Network Users are invited to submit their non-binding market demand for incremental capacity by filling in the *survey* prepared by ENTSOG available [here](#) in editable excel format.

The detailed recommendations for filling in and submitting requests by Networks Users are included in the *Template for filling in non-binding demands for incremental capacity* [here](#) (drafted by ENTSOG).

Please fill in the *survey* and submit it together with your questions, if any, to demand.assessment@transgaz.ro.

Within 8 weeks after the completion of the market demand survey but no later than **23 October 2023** SNTGN Transgaz SA in agreement with adjacent TSOs will publish the results of the incremental capacity demand assessment report within the ***Market demand assessment report***.

Yours sincerely,

SNTGN Transgaz SA
