PRESS

On July 12, 2011, general manager of SNTGN TRANSGAZ SA Medias has received the visit of a delegation ENTSO-G (gas transmission system organization of the European Union, established under Regulation EC 715/2009) delegation headed by Director General Organization.

SNTGN TRANSGAZ SA Medias is a member of ENTSO-G in July 2010.

Working agenda was a review of state actions within the organization and the fulfillment of the obligations which it has under the said Regulation

One aspect important point in the meeting was how to involve the European gas transmission operators to develop network codes and development plans of the European network, and need as their active involvement in these activities.

Constructively assessing this meeting SNTGN TRANSGAZ SA Medias ENTSO-G addresses the delegation thanked the Director General and its staff for work undertaken and is convinced that the involvement TRANSGAZ, along with other operators of natural gas transport systems in Europe will allow out a framework for the development of efficient and competitive European gas transmission network.
